CELEBRATIONS

Stop by Connections if you have any questions or to find out more about the Vineyard. We're glad you're here!

Want More Info?

Our speaker will give a 25-30 minute message about applying God's truths to life's challenges.

Message

For those who value the mission of this place and are learning to give, this is a time to give back to God a portion of what He's given us.

Giving

We usually sing some simple songs to God each weekend. Feel free to have a seat anytime. Some people like to stand the entire time. Just be comfortable.

Singing

Don't panic! No one is going to single you out or ask you to stand up and give your name. Grab a free coffee or tea, bring it into the Auditorium and relax. Here are a few things we usually do most weekends...

FIRST TIME HERE?

New to the Vineyard?
Attend our next orientation on Sunday, March 1 from 1-2:45pm at the Resource Center (the office building across the parking lot). Look for the "RoadMap" sign. Free lunch and childcare. RSVP at 671-0422 Ext. 480.

RESET

Welcome to RESET, the all church journey for 2009. For the next 6 weeks we stop most classes and events so that everyone, young and old(er), can be on the same page, learning about the same topics and growing in similar ways.

Today we begin to reset our assumptions of Jesus.

Whether you're just curious about Jesus and beginning to seek out answers, or you've followed him for decades, all you need to do is be open to resetting your assumptions, and discovering (or rediscovering) your own beliefs about the most influential person in history.

The journey consists of three parts: the weekend message, individual study and small group interaction.

Reset Groups

A vital part of the journey is the growth that happens in small groups. That's why we ask everyone to get into a group for six weeks. Many people form groups with friends—including those who may not be connected to a church. Other groups are forming online where you can search for open groups near your home or work, or invite others to meet at your place.

Groups start this week. Learn more and find a group at vineyardcincinnati.com/reset.

RESET JOURNAL

The blue journal you received today is a storyboard for tracking your Jesus experience. Consider it a note-holder, sketchbook, and archive for your creative mind. **How it works:** Bring this guide to your first group meeting as well as to the weekend Celebrations and take any notes in the space provided. Then spend some time alone during the week completing the four thought prompts in the guide.

A RESET family guide for kids and parents to share at home is available this weekend at the RESET info stations.
